

Please Double check site should be responsive to all screens Mobile, Desktop and Tablet.

Convert currency £ (Pound) to \$ (Dollar)

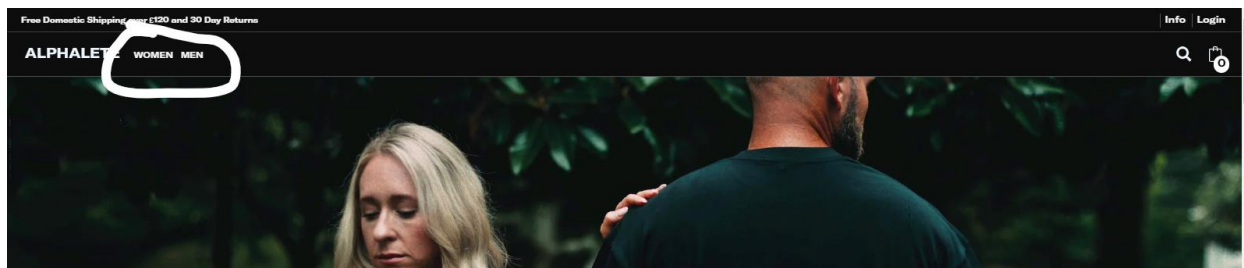

Change logo on all pages On Homepage (Nav Bar and Footer also), Cart Page and on Checkout page also

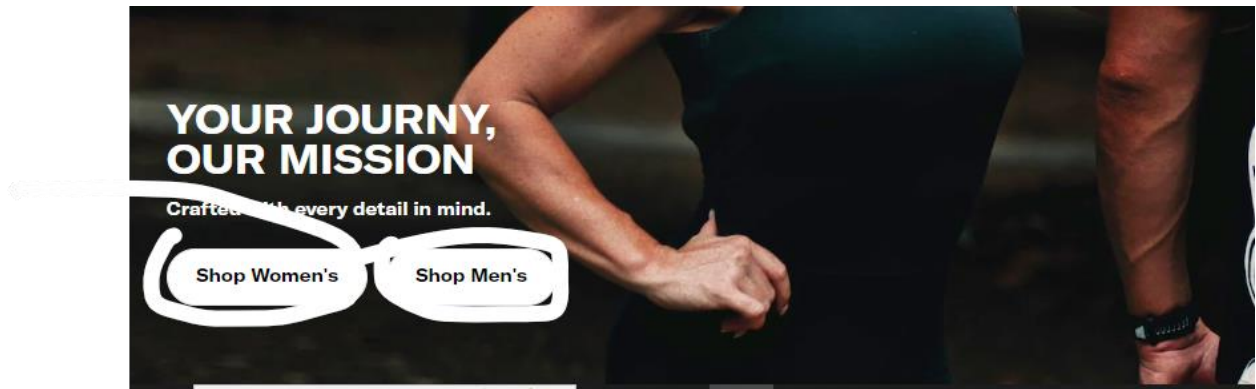

1. Make it transparent because it looks weird. After scrolling black background show at Nav Bar

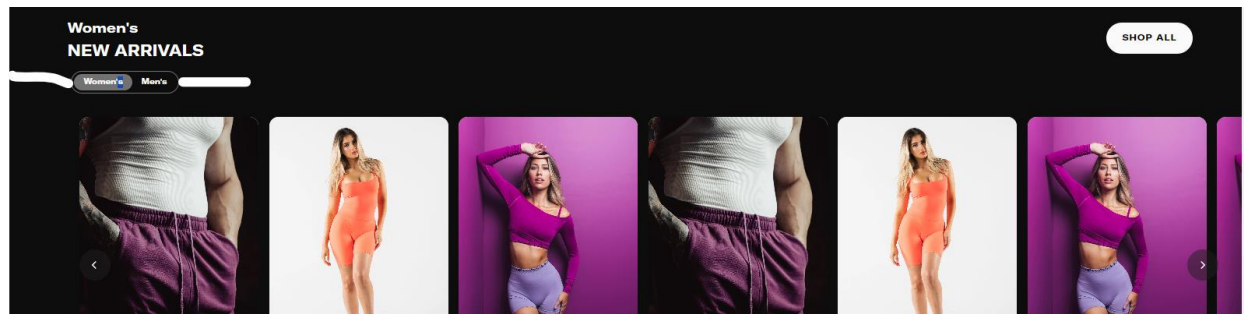

2. Remove "Man and Women" Just add "Shop" and add Dummy Dropdown just like Alphalete.

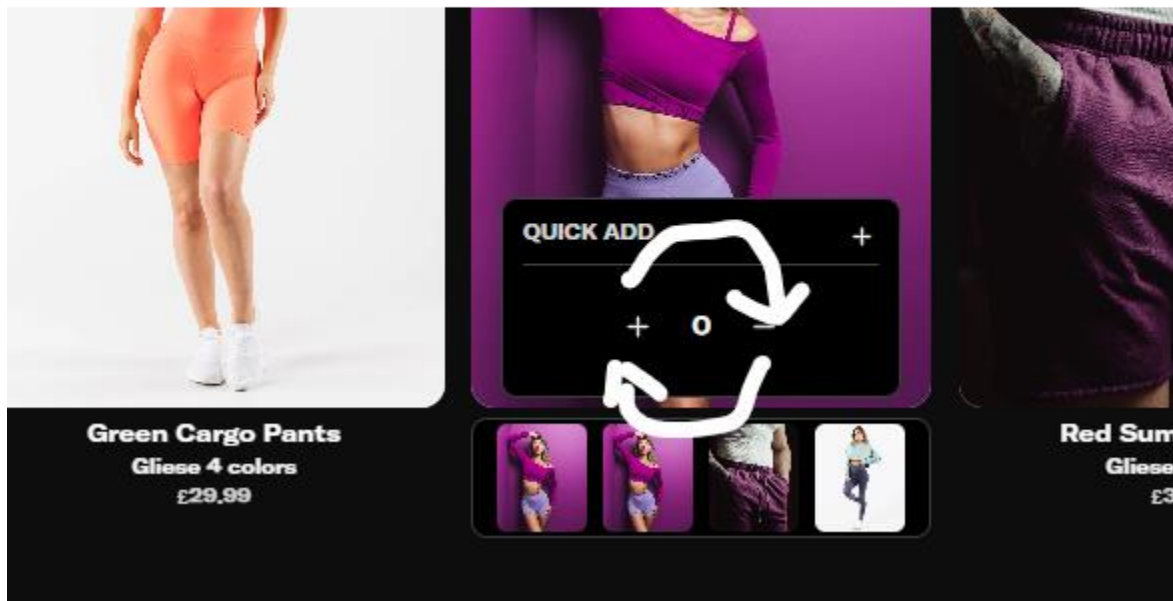

3. Button are not working for now link add button with Product page

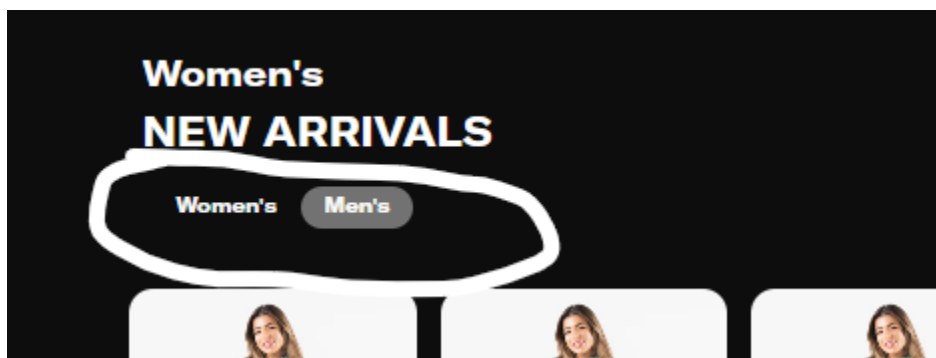

4. Add Something Dummy in button Section Men and Women

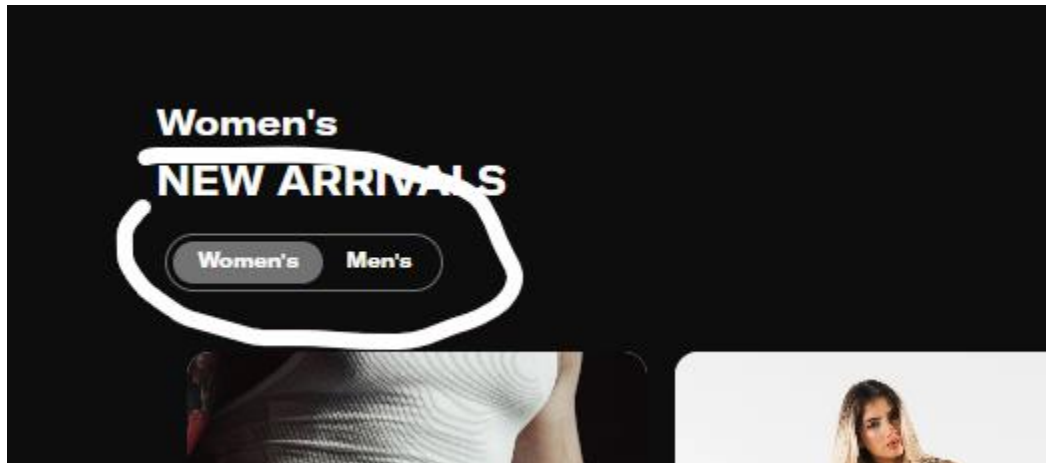

5. Change the Position of + and -
+ should be at the front and – Should at back

Make it like the above one there is no circle around this section

Like this one

Add only 1 button on the name of "Shop Now"
